Frontier Services
Standing with people in the bush

Please give \$20 now to bring real help to Aussies in the bush.

## Help keep our utes running

For people living in the outback, any support can feel far, far away.

When life's hardships strike, people find themselves alone and isolated.

Frontier Services Bush Chaplains travel hundreds of kilometres every day to bring practical and emotional support to people in the bush. But they need your help to keep going and to keep turning up for those doing it tough.

Your gift today will help keep our Bush Chaplains on the road.

**Bush Chaplains travel a combined 15,576km every week** 

**\$20** could help our Bush Chaplains to lend a listening ear when needed.

\$40 could help cover the cost of satellite phones for our Bush Chaplains

\$100 could buy fuel, so we can drive further inland and reach those feeling most isolated.

Frontier Services supports people living in rural and remote Australia. Formerly the Australian Inland Mission, and established by Rev John Flynn, we have been providing practical and emotional support to Aussies living on the land for over 110 years.
