Sheet Music Information

Mantle of Safety by Bush Chaplain Lindsay Ginn

Please find the sheet music in the key of F Major.

Only the first verse lyrics are included; verses two and three have slightly different phrasing, with a few additional notes in the melody.

Church musicians should find this manageable. The arrangement is for Piano, with Guitar and Bass Guitar parts provided at the top of each staff. Harmony notes have been added to the melody to support congregational use.

This song is dedicated to the work of Frontier Services, especially our Bush Chaplains. For complete lyrics, please refer to the Order of Service Booklet.
